Patient Rights & Responsibilities

You Have The Right:

- To be treated with respect, consideration and dignity, without discrimination on the basis of race, color, sex, religion or national origin
- To know the policy on rights and responsibilities you have as a patient.

• To participate in decisions involving your health care; to be assisted in the development of advance directives and to know and take responsibility for the consequences of refusing treatment or not complying with therapy.

• To receive services in a safe and clean environment.

• To privacy and confidentiality, and to approve or refuse the release of your medical records, except when release is required by law.

• To receive information concerning your diagnosis, treatment and prognosis; and to accept or refuse treatment after full information is given.

• To know what provisions are available for after hours and emergency coverage; and to have access to an interpreter as needed in order to understand explanations.

• To know the fees for services provided and the policies regarding the payment of fees.

- To be free from abuse or neglect; to access protective services.
- To be referred to specialists and other professionals when needed.

• To voice a compliment or complaint by calling the Clinical Director-502-423-7246

• For Medicare grievances and appeals or to speak to the Kentucky Medicare Beneficiary Ombudsman you may call the Office of Aging Services of Kentucky at 1-800-372-2991.

You Have The Responsibility:

• To provide, to the best of your knowledge, accurate and complete information about present complaints, past illnesses, hospitalizations, medications and other matters relating to your health.

• To follow the treatment plan recommended by the practitioner responsible for your care; and for your actions if you refuse treatment or do not follow the practitioner's instructions.

• To keep appointments and, when unable to do so for any reason, to notify the attending practitioner.

• To ensure that the financial obligations of your health care are fulfilled as promptly as possible.

• To be considerate of the right of other patients and personnel and for assisting in the control of noise and smoking.

• To ask for clarification when explanations regarding your treatment have not been given to your satisfaction.
